Rituals and Spells for Life

Tip: [Young Living](#) Geranium oil is especially potent when it comes to inviting love into your life and makin that love last.

Geranium oil can help diminish fears of abandonment, love and commitment. It asks that one be more accepting and thus more loving of self. As we love ourselves more, than we can fully commit to loving others.

1. **Any Friday.**
2. You will need:
 - One Pink Candle
 - Matching Rose quartz hearts in front of a candle
 - Dried or fresh rose petals in a bowl
 - One pink drawstring bag
3. **Light the candle and say, *My willing heart I give to you, a heart so gentle, heart so true, come love and find me.***
4. **Scatter rose petals in a heart shaped round the candle and quartz hearts, saying continuously, *Like moth to flame, butterfly to flower, I call true love now at this hour.***
5. Put the crystals and some rose petals in the drawstring bag, repeat both chants.
